

Jentronics Limited is pleased to announce our participation at the,

EPTECH 2011 ELECTRONICS TRADE SHOW

This show will provide valuable *technical* face-to-face meetings for those who attend. The latest new products and technologies will be on display, useful in your product manufacturing or the day-to-day operations of your company. We will be displaying various products from some of our many vendors.

We look forward to meeting you at the show, registration in advance is free!

If you are visiting our showroom ask for a registration form to fill out during your visit, or alternatively you can register online, please see link below.
